Computing

Course Details		Fashion and Clothing
Exam Board	Edexcel	
Syllabus title	Advanced GCE in Art and Design	
Course Code	9TE0	
Course Content	<p>The course consists of 3 projects over 2 years; you will also have an exam project to do at the end of the second year. You will do 2 projects in the first year and the remaining 1 in the second year of the course, along with your exam project. The assessment covered is a combination of recording skills, exploring materials, looking at fashion, writing about designers and creating outcomes.</p>	
Assessment and weighting	<p>60% Coursework 40% Exam</p> <p>You are required to complete substantial amount of work which must be evidenced through sketchbooks, annotation of work, and producing an end outcome based on the given brief (theme/tasks). The work completed will form part of your coursework. Your coursework and exam will be externally assessed at the end of year 2 and will include a combination of: practical work with end outcomes, presentations, exhibitions, and written work. The work produced will relate to specific briefs.</p>	
Trips/visits	<p>We will go on a trip to produce stimulus for work/ ideas and to visit current exhibitions. Local trips can be made during lesson time to supplement ideas.</p>	
Future opportunities/ career	<p>This course allows students to progress to either Higher or Further Education in universities or colleges, industrial related internships, Apprenticeships or college leaver employment programmes.</p> <p>Jobs related to this course: Textile designer, Fashion Merchandising/Sales and Marketing, Production Management, Visual Presentation/Styling, Public Relations, Fashion designing, Fashion Journalist, Fashion Illustrator</p>
